*See what just one of our campers had to say ...*

“The Perry Hall Gator Lacrosse Camp was fun and I learned a lot. Coach Sullivan taught me off-ball picks, something I knew nothing about before camp. Now, it is one more thing I can use to be a better player. The Perry Hall Lax Camp also spent time on face-off techniques, which is something that I didn’t get at other camps I’ve attended. I’ll be back next year!”

### A message from the director ...

How many times have you paid hundreds of dollars to attend a summer lacrosse camp only to find players stuck in long lines of drills while the counselors joke with their buddies?

You won't find that at the Perry Hall Gator Lax Camp. We're committed to working with each player and seeing him master the game. Players are involved in dynamic game situations so they understand when and how to use the skills they learn.

Players will also have fun running many of the same game-like drills used at the high school and college levels. Players will love it. Guaranteed or your money back! See you June 22-24!
