The Simple Approach ...

I was recently asked why we charge such a low fee for a Lacrosse Camp. It was a simple answer, but one that many don't understand.

We have a core of volunteers who are devoted to bring Lacrosse to as many boys in this region as possible. Lacrosse is not just a sport, but a comradary of friends, and foe that will strap on the war gear, go to battle and at the end of the game, shake hands, and talk about how much fun they had playing a gentlemen's game. At the end of the day, your boys will learn to play a very physical game by increasing their skill level and understanding the game as it is supposed to be played, with strategy and finesse.

We hope to see you at the Park!

Guest Appearances:

Richard Butler – Goalie CCBC / Maryland
Paul Boncaro -Assistant Coach at Goucher College; Former - Assistant Coach at RIT, Hobart, Colgate, Penn; All American - Attack RIT 1994

And more.....

EQUIPMENT NEEDS:

A "Fundamental Approach" to Lacrosse with a twist of fun and hard play...

The Perry Hall Boys 2010 Evening Lacrosse Camp is designed for those boys that have never played and the boys that want to keep their sticks in their hands for a few more weeks during the summer, while learning specific skills, tricks and strategies of the game. This is one of the few low cost camps that focus on the needs of the boys and not a rigid itinerary of drills and more drills.

Beginners will work on:

Catching, Throwing, Goalie play, Defensive, Ground balls, Face-offs, Shooting, Dodging, Stick protection, and strategic spray bottle and water balloon attack

Advanced Players will work on:

Fast Breaks, Transition play, Unsettled situations, Defense sets, Checking Cradling – one hand and off had protection, Off-ball play, Field Spacing, Offense, Sliding. Picking, 2-man game, Shooting on the run, Scrimmages and much more
